

November 20, 2014

To Whom it May Concern:

I hereby attest that the applied FCC radio equipment authorization through the TCB of CETECOM Inc. for ReliantHeart Inc. Conquest Controller Model CTL001 (FCC 2AB4ZCTL001) does not cover any compliance rules regarding medical, safety or reliability regulations which may have to be fulfilled by the equipment.

ReliantHeart Inc. will be responsible for satisfying all of the requirements mentioned above.

Sincerely,

Cindy McKelroy  
VP Regulatory and Quality  
ReliantHeart Inc.
